

YOUR FEEDBACK IS NEEDED BY AUGUST 3RD

As you may have heard, our Elders have determined imperative needs for the future of Grace Church. We want to hear your opinion.

We will gather your feedback by surveying our Grace Church community during a planning study that is underway. Your feedback will help us determine which direction we go and measure support for a potential major fundraising effort to pay for all, or some, of the project.

Because our 50+ ministries are literally bursting at the seams, the proposal would be to connect the front door of our current building to a new three-level, 60,000 square foot addition that will provide:

- A 300-seat auditorium for Student Ministry and overflow for weekend services
- Expanded space for all REACH ministries
- Gathering areas for fellowship, including a larger foyer and coffee shop
- Additional meeting rooms and other spaces
- 100 new parking spaces

Your participation in the survey is essential for the success of this planning process. The deadline to return your completed survey is August 3rd. All mailed surveys can be returned to the Connection Center or scan the QR code below to complete the survey online.

We will be relying on your involvement in the planning study and urge you to share your opinions on the project. The more feedback we receive, the better decision we can make on the project and a potential fundraising effort.

God Bless,

RICK LONG
