

To the world you may be one person, but to one person you may be the world.

Whiz Kids serves nearly 700 kids per week. The **one-on-one relationship** you form with your student encourages their academic success, increases their **self-esteem** and builds their **self-confidence**. Students in Whiz Kids have seen **consistent gains** in reading skills and have had **reduced behavior incidences**

YOU CAN MAKE A DIFFERENCE!

Whiz Kids meant so much to **Laylin**. When she first came, she was a little resistant. But that attitude quickly changed. We developed a **great bond** and began working on her multiplication tables. She was not proficient in them at all. But by the end of the year, not only had she **memorized her multiplication tables**, but her grades had gone from close to failing to **all A's and B's**. Her Mom was **very happy**. So was Laylin. I certainly was.

—Sharon, Tutor, Traylor

“Truly I tell you, whatever you did one of the least of these brothers and sisters of Mine, you did for Me.”

—Jesus, Matthew 25:40 NIV
