WHAT YOU NEED:

“Story Review Symbol Cards” PDF on main KIDS ONLINE Explore page.
Printer and scissors.

WHAT YOU DO:

Download the “Story Review Symbol Cards” and print two copies (one for the parent and one for the child). Cut each square out on the dotted lines so you have four separate cards. Gather your family together and give the cards to one child (if multiple children, let them take turns using the cards). Explain that you are going to review the Bible Story together using the cards and as you hold up a symbol in the story, as the children to find the matching symbol. The goal is for each child to put their story symbols in order.

WHAT YOU SAY:

“Today, we heard a story about how much God loves us. Let’s see if you can tell the story using these story cards. When I point to a story symbol, I want you to find the match in your story cards.” *“(Point to the heart) God loved...(point to the world)...the world so much...(point to the gift)...He gave us...(point to Jesus)...Jesus. You did a great job telling the story with your story cards! Let’s do it again!”*

PRAYER

Dear God, thank you for loving us SO much. You gave us Jesus to be our friend forever. Thank you for loving all of our friends and family and everyone around the world. You really are the best! In Jesus’ name, amen.”
